

Birzaan Mistry

AI Generalist | AI Workflow Builder | AI Educator | Founder, Tasklyn.in

birzaanmistry@gmail.com · +91 9930226026 · wa.me/919930226026 · tasklyn.in · Mumbai, India

18-year-old AI generalist and entrepreneur shipping production systems that hand businesses back their time — and make their money work harder. I also teach students and developers how to actually use AI in their day-to-day work. Founder of Tasklyn.in, with hands-on experience in business development, sales, performance marketing, and operations. Looking for internships in Business Development, AI/Workflow Building, Web Design, Sales, and Operations.

SKILLS & EXPERTISE

AI & Automation

n8n Workflow Design, AI Agent Architecture, LLM Integration, WhatsApp AI Bots, Webhook Automation, API Integration

Tech

Web Design, Web Development, HTML/CSS, No-Code Tools, Google Sheets Automation

Business

Business Development, Sales, Cold Calling, Client Acquisition, Performance Marketing, Paid Ads (Meta & Google), Operations, Negotiation

Soft Skills

Leadership, Public Speaking, Persuasion, Event Management

AI WORKFLOWS — DEPLOYED PROJECTS

AI Agent · Automotive

WhatsApp AI Parts Ordering Agent

80%

Of orders fully automated

Conversational WhatsApp agent that lets workshops order spare parts in natural language and routes orders straight to the distributor.

n8n, WhatsApp Cloud API, OpenAI, Airtable

Voice AI · Healthcare

AI Dental Receptionist

24/7

Front-desk coverage

24/7 voice agent that books, reschedules, and confirms dental appointments — handing structured data straight to the clinic's calendar.

Voice AI, OpenAI, Google Calendar, Twilio

Sales Automation · B2B

Lead Qualification & CRM Auto-Enrichment

<60s

From new lead to CRM

Enriches every inbound lead via Apollo.io, scores it by company size and intent, and pushes it into the CRM with a personalized intro email already sent.

n8n, Apollo.io, HubSpot CRM, OpenAI

Content Ops · Marketing

AI Social Media Content Engine

3 min

For a full week of content

Turns a single topic into a week of on-brand posts, routes them through Telegram for approval, and auto-schedules the finals to Buffer.

n8n, GPT-4, Telegram, Buffer

Tracks every D2C order from dispatch to doorstep inside one CRM, proactively resolving delivery anxiety before it turns into a support ticket.

n8n, CRM, WhatsApp API, Shipping APIs

VENTURES

Nov 2025 — Active

Tasklyn.in

Founder

Building AI agents and automated systems for businesses. Solo bootstrapped — product development, client acquisition, web hosting, and sales.

Active

Performance Marketing

Media Buyer

Running paid ad campaigns for gyms — including Midtown Fitness, a fitness franchise — and multiple perfume brands. Creative, targeting, and spend optimization across Meta & Google Ads.

Ongoing

AI Education

Instructor

Teaching students and developers how to actually use AI in their day-to-day work — practical workflows and tools, not just theory. Across n8n, LLM integrations, and AI agent building.

2023 — 2024

Galaxia Enterprises

Co-Founder

Co-founded and managed business development, client negotiations, and end-to-end operations.

ACHIEVEMENTS & ATHLETICS

Boxing: State-Level Silver Medalist — 10+ district & state victories, Maharashtra

Football: Selected for National Football Trials, 2023

Sprinting: Competitive 100m & 200m track athlete
